*Today, I am marrying intention with action!*  
*Day 6*

**Today's gua is Fame & Reputation.**

How are you holding up? You are really doing so well! I lit a candle as I started today's Fame & Reputation exploration. I did so because fire is the element associated with Fame & Reputation. I also lit it to support myself in speaking my truth. It takes courage to shrug off everything but our own truth and live our intentions, beliefs, and principles. Fame & Reputation represents the part of our life where we express in the world who we are and what we believe.

I had a question this morning and I decided to throw an I Ching trigram for guidance. I threw #30 Li - Clinging Fire which is the I Ching trigram associated with the Fame & Reputation gua! Very appropriate don't you think! The explanation in The Illustrated I Ching by R.L. Wing said, "The Chinese point out here: Clarity of mind brought about by dependence on what is right can transform the world and perfect it."

Well, it certainly can and does in my life. What is right for me is to be in alignment with my truth. When I am aligned with my truth, my mind is clear. What is right for you? It is different for each of us. Clinging Fire... What do I cling to? What clings to me? What am I famous for? What is my reputation? Choose what you want to be known for and then go be it.

*"Don't ask yourself what the world needs. Ask yourself what makes you come alive and then go do that. Because what the world needs is people that have come alive."*

*-- Harold Thurman Whitman*

Fire, passion, come alive, express who you are in all of your glory.

Ask your questions:

*What is my intention?*

*How do I live my intention?*

When I work with a Feng Shui client, I pay attention to the gua that is opposite the gua we are working with. If I was working with a client in the Fame & Reputation gua, I would also look to the Career gua. They are very connected. As I answered the questions for myself this morning, I compared them to my answers in the Career gua. They are interrelated. All the guas are connected just as all areas of our lives are connected. Often times, the opposite gua will hold a key to understanding. Look back at your answers for the Career gua. Are they connected? Is there illumination when they are considered together?

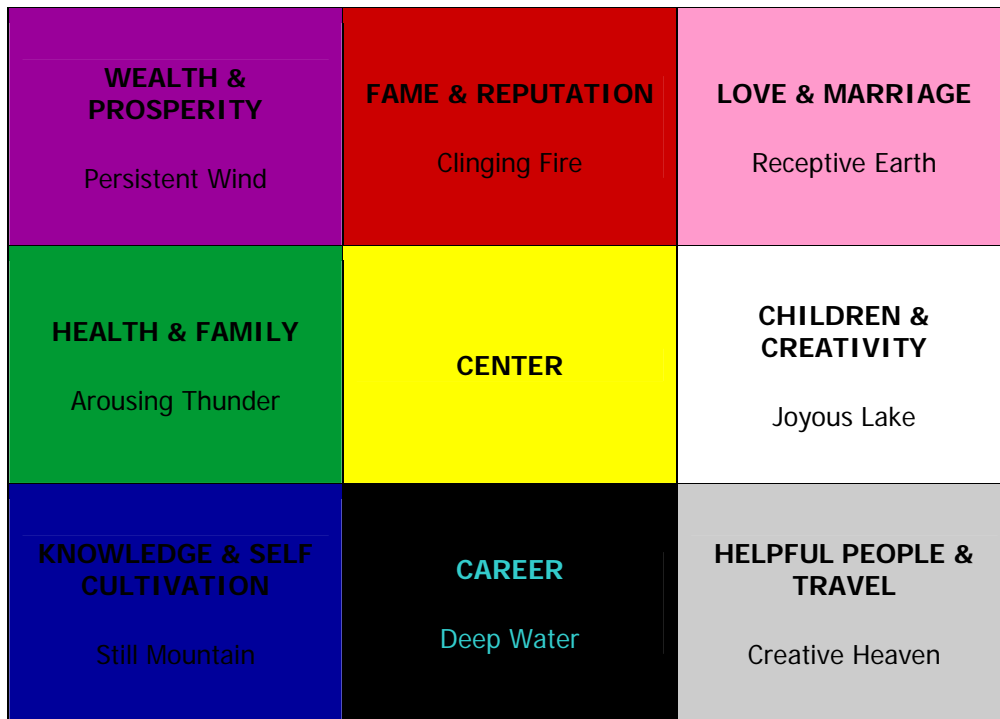

Light a candle and consider the flame, the light that you are in the world. Never, ever doubt the beautiful light that you are! The light within me adores and honors the light within you!

See you tomorrow!

Much Love,  
Terri
